FELIZ NAVIDAD FROM CORONA EXTRA AND CORONA LIGHT

CHICAGO – October 19, 2007 – Retailers can light up the holiday season with a brand new promotion from Corona Extra and Corona Light, the number one selling import family. The Feliz Navidad holiday promotion brings holiday cheer to retail accounts with an array of new support materials.

For the off-premise, celebrate the holiday with display/case cards, base wrap, pennant strings and a new LED 10-case stacker. These POS materials will help the number one import family stand apart from the competition on the floor and at the register.

"We hope retailers will take advantage of the always popular Feliz Navidad promotion this holiday season," said Scott Barcenilla, retail promotions manager for Crown Imports. "It is guaranteed to fill their stockings with big profits!"

In addition, the Feliz Navidad promotion will be supported with Corona radio advertising and the popular "O'Tannenpalm" TV commercial throughout the holiday season.
